

Karkadan, Never Ending Love

You know, I'm a loyal one
I have served you well
Now I have to brake the rules
I like this girl more than hell

Sorry Lord, but I feel love
I'm on cloud nine
quite above of
you

She's got such shiny hair
her face - pale - she's looking good
I think it is quite fair
Don't touch her sweet blood

Sorry Lord, but I feel love
I'm on cloud nine
quite above of
you

Sorry Lord, but I feel love
I'm on cloud nine
quite above of
you

I will fight for my love
And Lord, I still love you !
My Ablaze

I enflame myself with prayer
Never finding the answer
For living at one's will
But you found another ...
