

# Karl Martindahl, Love Turns Water Into Vine

A little luck is here tonight  
I can use it  
A little faith is by my side  
To take me through it

I believe that I'm gonna win  
I believe that miracles gone in

Oh, it's happenin'  
I'm fallin' in  
Givin' in  
Feels so good  
Love turn water into wine  
Cause walkin' in, everything will begin  
Just let it in  
Feels so good  
Love turns water into wine

And everything will be alright  
I can do it  
And every dream will come alive  
Nothing to it

I believe that I'm gonna win  
I believe that miracles gone in

Oh, it's happenin'  
I'm fallin' in  
Givin' in  
Feels so good  
Love turn water into wine  
Cause walkin' in, everything will begin  
Just let it in  
Feels so good  
Love turns water into wine

And it taste like heaven

I can walk on water  
I can walk through anything  
I let it in

Love turns water into wine  
Walkin' in, everything will begin  
Just let it in  
Feels so good  
Love turns water into wine  
Oh, It's happenin'  
I'm fallin' in  
Just give it in  
Love turns water into wine  
Love turns water into wine

And it taste like heaven
