Karla Bonoff, Goodbye My Friend

Oh we never know where life will take us We know it's just a ride on the wheel And we never know when death will shake us And we wonder how it will feel

So goodbye my friend I know I'll never see you again But the time together through all the years Will take away these tears It's O.K. now Goodbye my friend

I'd see a lot of things that made me crazy And I guess I held on to you You could've run away and left, well maybe But it wasn't time and we both knew

So goodbye my friend I know I'll never see you again But the love you gave me through all the years Will take away my tears I'm O.K. now Goodbye my friend

A life so fragile, a love so pure We can't hold on but we try We watch how quickly it disappears And we'll never know why

But I'm O.K. now Goodbye my friend You can go now Goodbye my friend
