

# Karla Bonoff, Loving You

I've been out on the road and  
I've been in this town  
Some people that I met were untrue  
I've been out in the world and  
now that I found

## CHORUS

Loving you  
Was the right thing to do  
And it's loving you that keeps me around

Oh, baby when you hold me I can't tell a lie  
I can always see myself in your eyes  
But it doesn't really matter when  
there's nothing to hide

## CHORUS

I'll stay here  
It's looking like all of my running days  
are through  
I'll stay here  
There's nobody else like you

And if I'm feeling pain tomorrow and  
I haven't a clue  
Won't worry if the forecast is blue  
'Cause no matter what the trouble,  
you'll see it through

## CHORUS
