

Karla Bonoff, Oh Mary

Oh Mary he takes my hand
He tells me that he understands
Oh I wanna know
Did that happen to you

Oh Mary it like a dream
Feels like floating that's how it seems
Oh I wanna know
Did that happen to you

Love, or is it just a passing thing
Does time take away the gift it brings
Oh no Mary tell me will this love be true

And Oh Mary there's a fire in the snow
The streets are crystal everywhere I go
Oh I wanna know
Did you see all that too

Oh Mary the nights are long
But I feel his touch and my heart is strong
Oh I wanna know
Did you feel that way too

Love, or is it just a passing thing
Does time take away the gift it brings
Oh no Mary tell me will this love be true
True love that stands the test of time
True love that earns its name
A love that still grows when everything
Stays the same
A true love that knows the flame

Love, or is it just a passing thing
Does time take away the gift it brings
Oh no Mary tell me will this love be true
