

# Karla Bonoff, Only A Fool

Well, baby what ya trying to prove  
By bein' alone  
And no one can get through to you  
Is there anyone home?

CHORUS:

So don't say that it's love you lacked  
I paid the price now we're paying the tax  
I gave it all, and I got nothing back  
Only a fool gives a heart like that

Well, I said that you never gave enough  
And I know this is true  
I see now that you never gave it up  
So you'd have nothing to lose

REPEAT CHORUS

I know that I need you  
And that made you scared  
If I'd known how to reach you  
But I'm giving up, it's too late to care

Well, I guess that it's really over now  
This is where I belong  
And baby you know it's kind of funny how  
All the tears made me strong

REPEAT CHORUS
