Karla Bonoff, Only A Fool

Well, baby what ya trying to prove By bein⊡alone And no one can get through to you Is there anyone home?

CHORUS:

So don't say that it's love you lacked I paid the price now we're paying the tax I gave it all, and I got nothing back Only a fool gives a heart like that

Well, I said that you never gave enough And I know this is true I see now that you never gave it up So you'd have nothing to lose

REPEAT CHORUS

I know that I need you And that made you scared If I'd known how to reach you But I'm giving up, it's too late to care

Well, I guess that it's really over now This is where I belong And baby you know it's kind of funny how All the tears made me strong

REPEAT CHORUS
