

Karmic Passage, Day Clock

Im thinking
of everything
and nothing
all at once.

Listening,
to people
and their worries
who shall bring
the thing to end all sorrow...

Why'd you have to do this to me...

[Chorus]
Looking around,

dreaming and wondering
thinking how,
seeing and feeling
always about you
(about you..)

[Bridge]
Maybe if I
quit my thoughts
about you
I can get on with my life...

[Inst.]
[Chorus]
