

# Karmica\*, Dance Impherno

Everytime I fall, everytime  
I put a needle in my my mind  
Everytime I fall from your grace  
I fall again, and I watch you there, whore!

"Fab?"

Everytime I swear, Everytime  
I put a needle in my my mind  
Everytime I fall into a fuzz  
I call your name, and I watch you there whore whoah!

And I cry for you now  
But I can't feel it more

Once upon a time I was in a discoteca  
when my watergun trembled in my pocket  
and I watch you die, I watch your hair melting, I want you mine, and please cry for me!

And I cry for you now  
But I can't feel it more
