Karmin, Brokenhearted

Oh, oh, yeah, yeah!

This is more than a typical kinda thing Felt the joints in my bones where you were touching me, oh oh Didn't want to take it slow In the days, going crazed, I can barely think You're replaying in my brain, find it hard to sleep, oh oh Waiting for my phone to blow

Now I'm here in a sticky situation Got a little trouble, yep and now i'm pacin' Five minutes, ten minutes, now it's been an hour Don't wanna think too hard, but i'm sour

Oh, oh, I can't seem to let you go

See i've been waiting all day For you to call me baby So let's get up, let's get on it Don't you leave me broken hearted tonight Come on, that's right Honest baby i'll do Anything you want to So can we finish what we started Don't you leave me broken hearted tonight Come on, that's right

Uh, cheerio

What's the time, such a crime Not a single word, slipping on a patron Just to calm my nerves, oh oh Poppin' bottles by the phone Oh yeah Act me up, pat me down, turn me inside out That's enough, hold me up Maybe i'm in doubt, oh oh Now don't even think you know, no no

See i've been waiting all day For you to call me baby So let's get up, let's get on it Don't you leave me broken hearted tonight Come on, that's right Honest baby i'll do Anything you want to So can we finish what we started Don't you leave me broken hearted tonight Come on, that's right

Uh, cheerio

Anything you wanna do, i'll be on it too Everything you say, it's like a gold with a view Business on the front, party in the back Maybe I was wrong, was the alf really wack This kinda thing doesn't happen usually I'm on the opposite side of it, truthfully I know you want it so come and get it

Uh, cheerio

See i've been waiting all day For you to call me baby So let's get up, let's get on it Don't you leave me broken hearted tonight Come on, that's right Honest baby i'll do Anything you want to So can we finish what we started Don't you leave me broken hearted tonight Come on, that's right

Uh, cheerio

When you gonna call Don't leave me broken hearted I've been waiting up Let's finish what we started, oh oh I can't seem to let you go Come on, that's right
