

# Karmin, I'm Just Sayin'

Ohhh If I want it  
I'm gonna get it  
And I'm just sayin', I'm just sayin' /x2

Future in my hands  
Gotta make it count  
Convince yourself it's feasible  
Then there's nothin' else  
Sick addiction  
Dangerous mind  
Put it on command'  
Error: undefined  
Even when you got a shadow of a doubt  
Even when a hundred people tell you it's a wipe out  
You gotta do it big  
You gotta do it strong  
At the end of the day you're the one who's in the wrong  
Regretin' and forgettin'  
Everything you worked for  
Instead a trend  
Settin' & bettin'  
It's so upsettin'  
I'm sweatin now  
And I can't believe it  
It should be so easy, oh...  
Already got a knack  
Just dial it back  
The window's open and the world is yours  
Go attack  
Cause when the wind is right & the tide is high  
Then It's time to fly

Ohhh If I want it  
I'm gonna get it  
And I'm just sayin', I'm just sayin' /x2

I know know know  
Where to go go go  
Oh oh oh  
oh oh oh  
oh oh oh /x2

Did you ever think  
I'll do what I want  
Me in the marathon, uh  
One in the front  
Now you're makin' plans  
Don't let them screw it up  
Better write your name on it  
Paper cup  
Most people afraid of hearing no  
Got booed off stage once apollo  
I can do anything that I wanna do  
And I'll take that cause it's not for you  
Took a few years to surface  
But now it's so bizurkus  
And I'm ring leadin' in this circus  
I'm just sayin'  
I'm just layin'  
And pavin' the road ahead of me  
Bravin' the elements and watchin' it cave in  
My heart is racin' and palpitatin'  
I'm so done anticipatin'  
It's all good, yeah made up my mind

Threadin' the needle is part of the design

Ohhh If I want it  
I'm gonna get it  
And I'm just sayin',  
I'm just sayin' /x2

I know know know  
Where to go go go  
Oh oh oh  
oh oh oh  
oh oh oh /x2

Ohhh If I want it'  
I know I'm gonna get it  
I'm just sayin'  
That's the way that it goes /x2

And if we look at life  
Imma tell you what  
You only get one  
We bein' honest, huh?  
Let em tell you no  
We on another plane approachin'  
Destination hit the main vein  
Now we glidin' windin'  
Tryin' not to crash  
Cause we so high  
Gotta keep grindin'  
Not a limit we drivin'  
The ship we runin' it all

Ohhh If I want it  
I'm gonna get it  
And I'm just sayin',  
I'm just sayin' /x2

I know know know  
Where to go go go  
Oh oh oh  
oh oh oh  
oh oh oh /x2
