Hey Everybody! We've got a beautiful message to all of you
We can help each other by staying together!

Kochani bądźmy razem! Bądźmy odpowiedzialni!
Obecnie jeszcze bardziej musimy się wzajemnie wspierać
Tu I Teraz! Siema!

I believe in human race
Brother, Sister we can change Tomorrow□Even though it's hard to trust.
Don't miss out, don't hesitate
You're not alone, we're all the same Together□Day by day we win this game,

All you need is stay at home That's how we can heal the world

Stay at home together, its gonna be all right
Zostań w domu razem, ocalimy świat□It won't last forever, so don't give up
Zostań w domu, Zostań w domu
Stay at home! Stay Together! Stay at Home! Zostań w domu!□

Dzisiaj uzdrowimy świat,□Razem lecz osobno, popatrz wokół
Nikt sam nie obroni się,
Nie bój się, nie jesteś sam,
Wszystkim towarzyszy strach o jutro
Lecz razem pokonamy go,

The devil is the rebel and the manipulator,
But is greater and he don't hate you,
Sooner or later we will understand,
The pain and suffer is the part of the plan,
We stand side by side Hand and hand
Hope inside I Man and man,
The world is healing just hear my voice,
Together throw the weather is the only choice.

All you need is stay at home That's how we can heal the world

Stay at home together, its gonna be all right
Zostań w domu razem, ocalimy świat□It won't last forever, so don't give up
Zostań w domu, Zostań w domu
Stay at home! Stay Together! Stay at Home! Zostań w domu!□
