## Karolina Popiołek, People Help the People | Prze

God knows what is hiding in that weak and drunken heart

I guess you kissed the girls and made them cry

those Hardfaced Queens of misadventure

God knows what is hiding in those weak and sunken eyes

a Fiery throng of muted angels

Giving love and getting nothing back

People help the people

And if you're homesick, give me your hand and I'll hold it

People help the people

And nothing will drag you down

Oh and if I had a brain, Oh and if I had a brain

I'd be cold as a stone and rich as the fool

That turned, all those good hearts away

God knows what is hiding, in that world of little consequence

Behind the tears, inside the lies

A thousand slowly dying sunsets

God knows what is hiding in those weak and drunken hearts

I guess the loneliness came knocking

No one needs to be alone, oh singing

People help the people

And if you're homesick, give me your hand and I'll hold it

People help the people

Nothing will drag you down

Oh and if I had a brain, Oh and if I had a brain

I'd be cold as a stone and rich as the fool

That turned, all those good hearts away

People help the people

And if you're homesick, give me your hand and I'll hold it

People help the people

Nothing will drag you down

Oh and if I had a brain, Oh and if I had a brain

I'd be cold as a stone and rich as the fool

That turned, all those good hearts away
