

Kasabian, Goodbye Kiss

Doomed from the start

We met with a goodbye kiss, I broke my wrist

It all kicked off, I had no choice

You said that you didn't mind 'cause love's hard to find

Lalalala,

Maybe the days we had are gone, living in silence for too long

Open your eyes and what do you see?

No more laughs, no more photographs

Turning slowly, looking back, see

No words, can save this, you're broken and I'm pissed

Run along like I'm supposed to, be the man I ought to

Rock and roll, sent us insane, I hope someday that we will meet again

Running wild

Giving it everyone, now that's all done

Cause we burnt out, that's what you do

When you have everything, it can't be true

Lalalala,

Maybe the days we had are gone, living in silence for too long

Open you're eyes and what do you see?

The last stand, let go of my hand

Turning slowly, looking back, see

No words, can save this, you're broken and I'm pissed

Run along like I'm supposed to, be the man I ought to

Rock and roll, sent us insane, I hope someday that we will meet again

You go your way and I'll go my way

No words can save us, this lifestyle made us

Run along like I'm supposed to, be the man I ought to

Rock and roll, sent us insane, I hope someday that we will meet again
