

# Kasey Chambers, Still Feelin' Blue

Time can pass and time can heal  
But it don't ever pass the way I feel  
You went away a long time ago  
And why you left I never knew

The lonely days and lonely nights  
I guess the world knows I aint feeling  
right  
And when your gone the hours pass so  
slow  
And now I'm still feeling blue

And baby since you walked out of my life  
I never felt so low  
Can't help but wonder why you had to go  
There are many girls but I can't say  
They come and go but still I feel this  
way

And ever since the day you said goodbye  
No one treats me like you used to do  
I hope your out and happy now  
And doing up the town 'cos you know how  
Everytime I hear your name I want to die  
And now I'm still feeling blue
