

# Kashif Ibadullah Khan, Like The Life Loves Breaths

Like The Life Loves Breaths  
Like The Eyes Loves Sight  
Like The Day Loves Night  
Like The Light Loves Bright

I Love You In The Way  
I Miss You In The Way  
I Love You In The Way  
I Miss You In The Way

Forever We will Be In The Road Of Love  
And I Fight The World With The Power Of Love  
All The Time What I Do  
Just Only Think About You  
In The Day You'r In My Sight  
And In Dream in The Night

I Love You In The Way  
I Miss You In The Way  
I Love You In The Way  
I Miss You In The Way
