

# Kashif Ibadullah Khan, Silance Of The Night

Two Strangers Beneath The Sky  
Try To Realize The Faith  
Both Of Them Know  
It's Moment To Letting Go  
So I Say-so Good Bye  
In The Silance Of The Night

Every Moment We Spend Together  
The Reverie We Behold Forever  
But I Could Not With You More  
It's End Of Our Saga I'm Sure  
All The Things I Will Forget  
In The Silance Of The Night

It's Not To Affable To Shun You  
But Now It's seems t be True  
Every Thing Just'll Be Right  
Only I Will Not In Your Sight  
In The Silance Of Night  
In The Silance Of Night
