

# Kasia Lins, Yesterday

Being, , living, dreaming, trying, crying, lying  
Looking down  
Every move is for you  
/2x

Yesterday I came up for you  
Yesterday I came up for you

Sleeping, eating, laughing, hold, watching, smiling, flying  
All I wanny do for you  
/2x

Yesterday I came up for you  
Yesterday I came up for you

And I saw  
What I Saw  
But I didn?t wanna see it at all  
/2x

And why we failed?  
And why we failed?

Yesterday I came up for you  
Yesterday I came up for you
