

# Katatonia, Cold Ways

I can't do what you do  
I'm just able to tear it down  
Yeah  
Stay in a cold minute of sleep  
See the world  
Right through the ether

Twisting names inside of me  
Electric atmosphere to be  
Must carry on one last time  
Cannot end what has begun

In your eyes  
You're alive  
But in my eyes  
You'r a lie

You can't do what I do  
I'm just able to ruin you yeah  
Stay in the cold ways of winter  
See myself right through the ether

In my eyes  
You're the lie
