

# Katatonia, Consternation

Wave back at me  
Back is turned (back is turned)  
If I failed once  
The circuit burns

Saw you in the lamplight  
You fade  
Nothingness incarnate

Until I get there  
Hidden I will be  
Until I get there  
Hidden I will be

Consternation  
Eternal source  
Overthrown  
Stray from course

Saw you in the lamplight  
You fade  
Nothingness incarnate

Until I get there  
Hidden I will be  
Until I get there  
Hidden I will be

Saw you in the lamplight  
You fade  
Nothingness incarnate

Until I get there  
Hidden I will be  
Until I get there  
Hidden I will be
