

# Katatonian, Palace Of Frost

Garden, Still and Cold  
Leaves Once Green Turned To Gold  
Wrapped In Fields, Eternal Sky  
I Bid Farewell, I Die...  
Birds of The Night, Sing My Songs  
Ocean of Tears, Leads So Long  
Solitude of My Spirit, I Am Free  
Now I Am Dead Forever  
Storms of Sadness Cleanse My Wings  
I Dwell In Grief After I Die  
The Landscapes So Below  
I Harken up, The Sunset Choir  
Sings From The Palace of Frost  
The Place Where I Shall Dwell Now  
The Palace For The Lost
