

Kate Bush, Show A Little Devotion

Everything that you wanted
Everything that you love
Yeah
Will run away from you
Everything that you care for
Yeah - yeah
Show a little devotion
In my devotion
No, the minute I saw your face
Is there anything that I can do?
Anything at all?
You'd tell me about it won't you?
Any way that I can help?
Just tell me about it
Won't you
So that I can do it
Anything at all
Just tell me what it is that you want
Then I can do it
Everything has an ending
And Everything has a tale to wag
yeah
answer me love
Everyone has a right to that
Yeah, oh yeah, yeah
Show me a little devotion
get all my devotion
I don't worry
about it at all
And you know the minute I saw your face
Hey
Is there anything that I can do?
Anything at all?
You'd tell me about it won't you?
Is there any way that I can help
Just tell me what it is
Then I can do it
Anything at all
Just tell me what it is that you want
Then I can do it
Anything at all
Just put the words together for me
Then I can do it
Anything at all
Just tell me what it is that you want
Then I can do it
