

Kate Ceberano, Love Dimension

When will you give me
A fix of a fix of ready affection

You know if looks could kill
Then I know that they will
I'm all confused
Am I being used
But I'm not waiting for
No I'm not waiting for a rainy day
A rainy day
To give yourself away

When will you give me
A fix of a fix of
Love and affection
I'm losing my mind
And I'm sick and tired
Oh love is not a premonition

When will you give me your love
Cos you're the one I'm thinking of
When will you withdraw the pain
When you gonna take the blame

When will you give me your love
(You keep your feelings in disguise)
When will you give me your time
You're gonna need to realise

When will you give me
A fix of a fix of
Ready affection
And I've just got to mention
My misplaced intention
Of my infatuation
To reach your love dimension yeah

When will you give me ooh
A fix of a fix of
Love and affection
And I've just got to mention
My misplaced intention
Of my infatuation
To reach your love dimension

When will you give me ooh
A fix of a fix of
Ready affection
Reach your love dimension yeah
Reach your love dimension ooh
When will you give me yeah
A fix of ooh a fix of
Love and affection
