

# Kate Ceberano, See Right Through

I watch you sun it will fall when the day is done  
And I&#039;ll care for you  
Now the right time has begun to change  
Time to look around you  
Time to rearrange habits of life

Can&#039;t you see the light shining thru me  
Can&#039;t you feel the good it&#039;s doing to me  
I can see clearly  
I can see right thru you boy  
Ah you smile at me  
I open up like a flower in the rain  
And the heavens shine above me  
Again and again  
I&#039;ve changed as I look around me  
Life&#039;s rearranged it&#039;s much better now

And I&#039;ve got the world in the palm of my hand  
Gonna keep it spinning just as long as I can  
I can see clearly  
I can see right thru it all

And now I&#039;ve got this world  
World in the palm of my hand  
And I promise I&#039;m gonna keep it spinning  
Just as long as I can
