

Kate Havnevik, Disobey

Disobey, disobey baby, disobey, disobey

How can you resist
the pleasure withing the risk?
Cause misbehaviour
could be your saviour

You always say;
Keep your head above water!
Well Ive tried,
but I want to know what the world looks like from below

Disobey, disobey, baby, disobey, disobey no

Curiosity
wants you to come with me
Misdemenor
couldnt be easier

You always say;
Keep your feet on the ground!
Well, Ive tried,
but I wanna see what the world looks like from above

I wanna go deeper
I wanna go higher than before
I wanna go deeper
I wanna go higher

You always say;
Keep your feet on the ground!
Well, Ive tried,
but I wanna see what the world looks like from above

Disobey, disobey, baby, disobey, disobey no
