

# Kate Havnevik, Disobey

Disobey, disobey baby, disobey, disobey

How can you resist  
the pleasure withing the risk?  
Cause misbehaviour  
could be your saviour

You always say;  
Keep your head above water!  
Well Ive tried,  
but I want to know what the world looks like from below

Disobey, disobey, baby, disobey, disobey no

Curiosity  
wants you to come with me  
Misdemenor  
couldnt be easier

You always say;  
Keep your feet on the ground!  
Well, Ive tried,  
but I wanna see what the world looks like from above

I wanna go deeper  
I wanna go higher than before  
I wanna go deeper  
I wanna go higher .....

You always say;  
Keep your feet on the ground!  
Well, Ive tried,  
but I wanna see what the world looks like from above

Disobey, disobey, baby, disobey, disobey no
