Kate Havnevik, Disobey

Disobey, disobey baby, disobey, disobey

How can you resist the pleasure withing the risk? Cause misbehaviour could be your saviour

You always say; Keep your head above water! Well Ive tried, but I want to know what the world looks like from below

Disobey, disobey, baby, disobey, disobey no

Curiosity wants you to come with me Misdemenor couldnt be easier

You always say; Keep your feet on the ground! Well, Ive tried, but I wanna see what the world looks like from above

I wanna go deeper I wanna go higher than before I wanna go deeper I wanna go higher

You always say; Keep your feet on the ground! Well, Ive tried, but I wanna see what the world looks like from above

Disobey, disobey, baby, disobey, disobey no
