

# Kate Havnevik, Not Fair

He got away with thousands of dollars  
He got away from the state police

He got away with emotional murder  
He slipped away with the summer breeze

It's not fair  
To call it a day  
It's not fair  
To just walk away  
It's not fair  
To bring me down  
It's not fair  
To leave a mess behind

He got away with the ultimate shakedown  
He ran away from the scene of the crime

He got away from everyone in his way  
Gone, and not a trace left behind

It's not fair  
To catch me out  
It's not fair  
To leave me in doubt  
No it's not fair  
To not explain  
It's not fair  
To leave a mess behind

How'd you pull it off?  
how'd you get away with it?  
I never stood a chance  
Oh you left me to die

It's not fair  
To pull me down  
It's not fair  
To make me run around  
No it's not fair  
To not explain  
It's not fair  
To make me ask you why  
To leave a mess behind  
To make me ask you why
