

Kate Havnevik, Unlike Me

There are no guarantees in life
Not for the present,
Nor for the future.
All I know is
That I'm here;
Don't know for how long.
I love the way
You live so intensely
Enjoy every minute of life
With space to swing
Your arms around
Laughing loudly

Unlike me
Unlike me
Do you think I'm strange?
Unlike you
Unlike you
I am not pretending

There is no time,
There is no time,
There is no time,
Time doesn't really exist.
The past, the present,
And the future,
Are all side by side,
Hand in hand.
You move and change,
Yet you go nowhere:
Everything stays the same.
You stare at me,
And ask me questions,
Makes me nervous,
This room it keeps a constant tone
While I'm on a roller coaster

Unlike me
Unlike me
Do you think I'm strange
Unlike you
Unlike you
I am not pretending
There is no time
There is no time
There is no time
Time doesn't really exist
There is no time
There is no time
There is no time
Time doesn't really exist
