

Kate Rusby, High On A Hill

High on a hill,
There's a sweet bird calling,
All come together,
Are you in or are you out,
He sings of a time,
When the sky was falling,
All come together,
And be in no doubt.

Chorus:

Oh darling let's go over,
Now the devil's here,
Oh darling let's go over,
Now the devil's here,
Oh darling, oh my darling,
Be strong and be proud,
Oh darling then you'll see,
The devil will go round,
Round, round.

High on a hill,
And way up yonder,
All come together,
Are you in or are you out,
The eleventh day was hell,
But the heart grows stronger,
All come together,
And be in no doubt.

Chorus.

Over the fields,
Where the water's falling,
All come together,
Are you in or are you out,
There's a bird on the hill,
And he's sweetly calling,
All come together,
And be in no doubt.

Chorus.

High on a hill,
There's a sweet bird calling,
All come together,
Are you in or are you out,
He sings of a time,
When the sky was falling,
All come together,
And be in no doubt.
