

# Kate Ryan, Magical Love

I think I feel your love tonight  
I think I need you  
I think I see you.....  
I'm in the dark I'm in the night  
I think I'm dreaming  
My heart is screaming..... oohooohoo  
I think I feel your love tonight  
Can't you hear me  
I want you near me..... oohooohoo  
Don't you need my love tonight deep inside  
It's all around me I cannot hide  
From this feeling I have inside (2 x)  
Oohooohoo is this a miracle (2 x)  
Oohooohoo is this a miracle or a magical love (2 x)
