

# Kate Ryan, Spinning Around

I got this feeling I can't explain  
You got me going out of my mind  
I got this feeling I can't explain  
Boy, you got me spinning around

Just wanna feel you closer, let me know  
Do you feel the way I'm feeling for you  
Can you hear my heart beat, just for you  
That's the way that it's supposed to be  
Can't you see, can't you see, can't you see  
You got me spinning around and around

Spinning around, spinning around, ...

I got this feeling I can't explain  
You got me going out of my mind  
I got this feeling I can't explain  
Boy, you got me spinning around

Just wanna feel you closer, let me know  
Do you feel the way I'm feeling for you  
Can you hear my heart beat, just for you  
That's the way that it's supposed to be  
Can't you see, can't you see, can't you see  
You got me spinning around and around
