

# Kate Voegele, Chicago

I've never known you  
But I'm no stranger to this feeling  
I I know it's over but the hurts not  
What do you call it?  
What do you call it when broken hearts are not done healing  
You threw down your cigarette but it's still hot  
Well I've learned to lie  
And here's what I've got

Chorus:  
Well didn't I think you would always love me  
And didn't I want you to take care of me baby  
Well that ain't happenin'  
No no no  
Wouldn't I love just to rise above this  
You gotta believe  
I have suffered enough to be free  
So I'm officially leavin'  
With just a kiss on the cheek and  
I'm gone.  
I'll be up at 7 o'clock  
whoa oh oh whoa oh oh  
7 o'clock to Chicago  
Whoa oh whoa oh

It's never easy  
Breakin' this old addiction  
I I've got the reasons  
But no rational  
And I wanna hate you cause you don't give me no conviction  
Your betrayal oughta make this break down no trouble at all  
So let the rubble fall  
Cause I'm running off

Chorus:  
Well didn't I think you would always love me  
And didn't I want you to take care of me baby  
Well that ain't happenin'  
No no no  
Wouldn't I love just to rise above this  
You gotta believe  
I have suffered enough to be free  
So I'm officially leavin'  
With just a kiss on the cheek and  
I'm gone.  
I'll be up at 7 o'clock  
whoa oh oh whoa oh oh  
7 o'clock to Chicago  
Whoa oh whoa oh

I'll be on the 7 o'clock to Chicago  
I ain't got no second thoughts  
Because I know I'm on my way to the top  
On my way

Chorus:  
Well didn't I think you would always love me  
And didn't I want you to take care of me baby  
Well that ain't happening  
[No No Now]  
Wouldn't I love just to rise above this  
You've gotta believe I've suffered enough to be free  
So I'm officially leaving  
Just a kiss on the cheek and I'm gone

I'll be on the seven o'clock  
Oh Oh the seven o'clock to Chicago  
Oh Oh
