

Kate Voegele, The Devil In Me

Far in the distance
This is the view from the other side
How did I let this pass me by?
You took me from granted,
Blended thorns in this garden of mine.
What are the chances my hope has died?
Didn't have mercy
You unnerved me
I don't deserve this pain, no.
So don't break my heart
I ain't never done
Nothing to deserve this
I'm torn apart
You've had your part
Do you suppose I earned it?
Do you not see
How I'm begging on my knees?
No don't speak, don't breathe,
You pray I've the Devil in me.
Thinking it over
Those were days dark as any night
The end of October seemed like a life time
I had a suspicion
But didn't want to believe you a lie.
You had a mission
To prove me right.
You took my trust
Ground it to dust
Found out I know better. Yea-yeah.
So don't break my heart
I ain't never done
Nothing to deserve this
I'm torn apart
You've had your part
Do you suppose I earned it?
Do you not see
How I'm begging on my knees?
No don't speak, don't breathe,
You pray I've the Devil -
And I don't wanna feel the pain
And I don't want another day
Shackled to your ball and chain.
You're entirely a pain
And I'm so tired of explaining
The sensation I've known over time.
I don't ever care that there is
No charity in your heart
Could you spare me, I've done my part? Yeah.
So don't break my heart
I ain't never done
Nothing to deserve this
I'm torn apart
You've had your part
Do you suppose I earned it?
Do you not see
How I'm begging on my knees?
No don't speak, don't breathe,
You pray I've the Devil -
So don't break my heart
I ain't never done
Nothing to deserve this
I'm torn apart
You've had your part
Do you suppose I earned it?

Do you not see
How I'm begging on my knees?
No don't speak, don't breathe,
You pray I've the Devil in me
