

# Kate York, Go

if you're going  
if you're going to leave this way  
the door is open  
if there is nothing left to say  
there's no point in hanging on  
if your heart is already gone  
turn the light out  
say goodbye now  
its time to let the curtain fold  
'cause its over  
really over  
when you don't feel a thing at all  
so we're broken  
guess we were the last to know  
if you're going...go  
go  
go before we second guessed  
there's no denial  
this is really for the best  
drive and don't look back  
remember what we had  
turn the light out  
say goodbye now  
its time to let the curtain fold  
'cause its over  
really over  
when you don't feel a thing at all  
so we're broken
