

# Katelyn Tarver, Rain

just don't know if I can deal  
Are you really into me  
Cuz I know I'm into you  
But I don't wanna take another step  
Until you say ya feel it too  
It looks like rain  
And that's alright with me  
I'm standin here just lookin for the chance to  
make you see  
Sometimes a little rain is all you need  
So let it come and wash all over me  
You can ask my friends  
They'll say I'm talkin all the time  
But whenever you try to say hello  
I freeze and then you say goodbye  
But I'm not tryin to be cool  
It's just that I'm a little shy  
And I wanna be straight with you tonight  
Wanna tell you that you're the one I like  
It looks like rain  
And that's alright with me  
I'm standin here just lookin for the chance to  
make you see  
Sometimes a little rain is all you need  
So let it come and wash all over me  
Over and over  
I try to get closer  
But I always end up alone  
I search for a sign  
That you wanna be mine  
But until then I'm takin it slow  
It looks like rain  
And that's alright with me  
I'm standin here just lookin for the chance to  
make you see  
Sometimes a little rain is all you need  
So let it come and wash all over me
