

Katerine, Everywhere I Go

It's funny how you think you really know yourself
Like you would never lose yourself to someone else
And I was up to thinking it was all about you and me
Silly, silly me..

I should have never listened to a word you said
But I was always giving in to promises
I never should have gone for
I should never long for you no matter how hard it gets
And I want this to be over
I so want this to be through
In the end somehow it always come back to you

Refrein:

'Cause everywhere I go
No matter what I do boy
I just can't get you out of my head
So it annoys me
(he wasn't man enough)
To come and tell me
(that I was never the one)
Like you said I was
(you could have told someone)
You knew that you didn't love me anymore
If you had only told me how you really felt
I could've put my feelings into someone else
But I was busy thinking that was where I was supposed to be
Silly, silly me..

But there was something about you that I couldn't resist
Can't put my finger on it but whatever it is
I never should have stood for (stood for)
Knowing you're not good for me
That's the way it is
And I want this to be over
I so want this to be through
In the end somehow it always come back to you

Refrein:

'Cause everywhere I go
No matter what I do boy
I just can't get you out of my head
So it annoys me
(he wasn't man enough)
To come and tell me
(that I was never the one)
Like you said I was
(you could have told someone)
You knew that you didn't love me anymore

I tell myself
Get over you
It's so the right
Right thing to do
And just when I
Thought I was done
You pulled me in
For another run
I can't take this
I won't take this
I can't do this
I won't do it
Even if I know in the end somehow it always comes back to you

Refrein:

'Cause everywhere I go

So it annoys me

To come and tell me
