

Katerine, Time To Make A Change

Do you ever wonder why
Life just seems to pass you by
And you dont seem to find the way to change it
Always moving with the crowd
You wonder what its all about
And wheres the point you say Ive finally made it
Advertising on TV
Tells you what you wanna be
And how to feel a certain kind of emotion
So all the people just feel the same
You realise you dont like this game
You feel the need to choose another direction
Its time to make a change
Its time to rearrange your life
And maybe I can give
The things you need to live your life
