

# Kathy Kelly, Eternity is love

Eternity is love  
Love is beauty  
Beauty is feeling  
Feelings of melody  
A melody is you  
You are reality  
Reality's a moment  
A moment is endless  
Endless is love  
Eternity is love  
Love is tenderness  
Tenderness is giving  
Giving is smiling  
Smiling is a child  
Childhood is wisdom  
Wisdom is breathing  
Breathing is living  
Living is love  
Eternity is love  
Love is beauty  
Beauty is feeling  
This melody is you  
And reality is a moment  
It's endless this love  
Eternity is love  
Eternity is love  
Love is beauty  
Beauty is feeling  
Feelings of melody  
A melody is you  
You are reality  
Reality's a moment  
A moment is endless  
Endless is love
