

Kathy Kelly, I'll always love you

Ta to da lo air cool da king
An calini amhain sa teacht seo
Goma Gog Go Ama Gog
Loving you my dear
Is like a heavenly choir
You left, and your wings
Are still with me darling
You left your wings with me.
I'll always love you
Like my note, like a true
Saving heart
You touched my sorrowful soul
You left your wings with me
And about our love
Is that you conquered me so
So slowly, so softly, so carefully
So slowly, so softly so dear
I'll always love you
Like my note, like a true
Saving heart
You touched my sorrowful soul
Goma Gog Go Ama Gog
