

Katie Jewels, Burnin Love

Come on and follow me
To my wildest fantasy
Come now and be with me
Can you feel the energy of love?
Deep inside of me
Can you feel the energy of love?
So feel my burning love
Feel my burning love
Feel my burning love
(Feel my burning love)
Come on and follow me
To my wildest fantasy
Come now and be with me
Can you feel the energy of love?
Deep inside of me
Can you feel the energy of love?
So feel my burning love
Feel my burning love
Feel my burning love
Feel my burning love
So feel my burning love
Feel my burning love
Feel my burning love
Feel my burning love
(Feel my burning love)
Come on and follow me
To my wildest fantasy
Come now and be with me
Can you feel the energy of love?
Deep inside of me
Can you feel the energy of love?
So feel my burning love
