

# Katie Jewels, Burnin Love

Come on and follow me  
To my wildest fantasy  
Come now and be with me  
Can you feel the energy of love?  
Deep inside of me  
Can you feel the energy of love?  
So feel my burning love  
Feel my burning love  
Feel my burning love  
(Feel my burning love)  
Come on and follow me  
To my wildest fantasy  
Come now and be with me  
Can you feel the energy of love?  
Deep inside of me  
Can you feel the energy of love?  
So feel my burning love  
Feel my burning love  
Feel my burning love  
Feel my burning love  
So feel my burning love  
Feel my burning love  
Feel my burning love  
Feel my burning love
