Katie Melua, I Think It's Going To Rain Today

Broken windows and empty hallways A pale dead moon in the sky streaked with gray Human kindness is overflowing And I think it's going to rain today

Scarecrows dressed in the latest styles With frozen smiles to chase love away Human kindness is overflowing And I think it's going to rain today

Lonely, lonely
Tin can at my feet
Think I'll kick it down the street
That's the way to treat a friend

Bright before me the signs implore me To help the needy and show them the way Human kindness is overflowing And I think it's going to rain today
