

# Katie Melua, Just when I needed You most

You packed in the morning  
I stared out the window  
And I struggle for something to say  
You left in the rain without closing the door  
But I didnt stand in your way  
Now I miss you more  
then I missed you before  
and now where will I find comfort?  
God knows  
Cause you left me  
Just when I needed you most  
(you) you just left me  
just when I needed you most  
now most every morning  
I stare at the window  
And I think about where you may be  
Ive written you letters that I like to send  
If you would just send one to me  
Cause I need you  
more then I needed before  
and now where will I find comfort?  
God knows  
Cause you left me  
Just when I needed you most  
Yes you left me  
just when I needed you most  
(yooouuuu Just when I needed the most)  
You packed in the morning  
I stared out the window  
And I struggle for something to say  
You left in the rain without closing the door  
I didnt stand in your way  
Now I love you more  
Then I loved you before  
and now where will I find comfort?  
God knows  
Cause you left me  
Just when I needed you most  
you left me  
just when I needed you most  
Oooh Yooou left me  
Just when I needed you most
