

# Katie Melua, Lernin' the blues

The tables are empty  
The dance floor's deserted  
You play the same love song  
It's the tenth time you've heard it That's the beginning  
Just one of the clues  
You've had your first lesson  
in learnin' the blues  
The cigarettes you light  
one after another  
Won't help you forget him  
when you're losing your lover  
You're only burning  
a torch you can't lose  
But you're on the right track  
for learnin' the blues  
When you're out in a crowd,  
the blues will taunt you  
constantly  
When you're out in a crowd,  
the blues will haunt your memory  
The nights when you don't sleep  
the whole night you're crying  
You just can't forget him  
soon you even stop trying  
You'll walk the floor  
and wear out your shoes  
When you feel your heart break  
you're learnin' the blues
