

Katie Melua, Too Much Love Will Kill You

I'm just a shadow of the girl I used to be
Too many bitter tears are raining down on me
I'm far away from home
And I've been facing this alone
For much too long.

Uuuuuuh

I feel like no-one ever told the truth to me
About growing up and what a struggle it could be
In my tangled state of mind
I'm looking back to find
Where I went wrong.

Uuuuuuh

Too much love will kill you
If you can't make up your mind
Torn between the lover
And the love you leave behind.

You're headed for disaster
Cause you never read the signs

Too much love will kill you, everytime....

I'm just a shadow of the girl I used to be.
And it feels like there's no way, I ... this for me
I used to bring you sunshine
All I ever do is bring you down.

And if you feel if you're standing in my shoes
Can't you see that it's impossible to choose
Though there's no making sense of it
Everyway I go, I have to be.

Uuuuuuh

Too much love will kill you
Just the show is not at all
It will train the power that's in you
Make you scream and beat and crawl
And the pain will make you crazy
You, the victim of your crime
Too much love will kill you, everytime....

Too much love will kill you
It'll make your life a lie
Yes too much love will kill you
And you won't understand why
You give your life, you take your soul
But here it comes again:

Too much love will kill you
In the end!
