

Katrina & The Waves, Red Wine And Whisky

Thunder and lightning down on the beach

Me and my boyfriend got five cents each.
Got to learn to keep moving on

got to learn to keep grooving on.
Got to learn to keep moving on

got to learn to keep grooving on.

Red wine and whisky all the time.
We had a lot of money but we blew it down the line.
We'd love to take you out tonight but we haven't got a dime.
Red wine and whisky all the time - all the time.

We used to ride in style in our rented car.
Now all we do is hand out down at the bar.
Got to learn to keep moving on

got to learn to keep grooving on.
Got to learn to keep moving on

got to learn to keep grooving on.

Red wine and whisky
All the time. . . .
Red wine and whisky

Red wine and whisky

Red wine and whisky

Red wine and whisky

Red wine and whisky

Red wine and whisky.
