

Katy Fitzgerald, It Doesn't Get Better Than This

I feel like Im flyin,
I wont touch the ground.
I spin it- sorry now
I turn it around
I turn it around
I turn it a-round!
It doesnt get better than this
Ive waited all my life
To just be like this
There is nothing that I wanna miss
Cuz it doesnt get-
No it doesnt get-
No it doesnt get better than this..
Fall
Ooh this was worth it
As I landed with grace
And I, needed to find my way
To get to the place, to get to the place-
Now I cant say!
It doesnt get better than this
Ive waited all my life
To just be like this!
There is nothing that I wanna miss
Cuz it doesnt get-
No it doesnt get-
No it doesnt get better than.. this..
Better than thi-eh ya eh ya this!
Nothings free
Without the sorrow
Youre staying
Go tomorrow
Breaking down
Just Think about today!
Ive waited all my life, to be-e yeah!
Better than this
It doesnt get, no, no!
Better than this!
Cuz it doesn't get
No it doesn't get
No doesn't get, better than thi-thi-this yeah yeah!
Doesn't get
It doesn't get
No it doesn't get
Better than th-i-s
Better than this
No it doesn't get any better
Better than this!
