

Katy Perry, Black River

Woah, black river,
gonna take my cares away.
Woah, black river,
gonna take my cares away.
Gonna take my cares,
gonna carry my cares,
gonna take my care away.
Gonna take my cares,
gonna carry my cares,
gonna take my care away.
Woah, dear saviour,
gonna take my cares away.
Woah, dear saviour,
gonna take my cares away.
Gonna take my cares,
gonna carry my cares,
gonna take my care away.
Gonna take my cares,
gonna carry my cares,
gonna take my care away.
Woah, sweet whiskey boy,
c'mon,
gonna take my cares away.
Woah, sweet whiskey boy,
you're gon,
you're gonna take my cares away.
Gonna take my cares,
gonna carry my cares,
gonna take my care away.
Gonna take my cares,
gonna carry my cares,
gonna take my care away.
You're gonna take my bottle, my bible, my mess.
You're gonna take all of my empty and my loneliness.
Gonna take all of the sadness inside of me,
gonna take it all and set me free.
Woah, black river,
gonna take my cares away.
