

# Katy Perry, Crush

La, da-da-dee  
La-da-dee  
La, da-da-dee

Is it a crush? Makin' me blush  
Here I go again, I'm falling in love  
Catchin' my breath whenever we touch  
Here I go again, I'm falling in love

My heart goes  
La, da-da-dee  
La, da-dee  
La, da-da-dee  
My heart goes  
La, da-da-dee  
La, da-dee  
La, da-da-dee

Feelin' all the butterflies  
Livin' in a candy daydream  
Emotions that I can't describe  
Even all the birds are singin'

La, da-da-dee  
La-da-dee  
La, da-da-dee

Is it a crush? Makin' me blush  
Here I go again, I'm falling in love  
Catchin' my breath whenever we touch  
Here I go again, I'm falling in love

My heart goes

La, da-dee  
La, da-da-dee

Feelin' all the butterflies  
Livin' in a candy daydream  
Emotions that I can't describe  
Even all the birds are singin'

Yeah, I, I got those palpitations  
Those boom-boom-booms  
I'm on a new vibration  
Yeah, I, I need some medication  
Your ooh-ooh-ooh  
Come on, answer the question

Is it a crush? Makin' me blush  
Here I go again, I'm falling in love  
Catchin' my breath whenever we touch  
Here I go again, I'm falling in love

My heart goes  
La, da-da-dee

My heart goes
